CONGRATULATIONS!

Your dancer is a part of the 2017-2018 MDSOD Spotlights Performance team! Our amazing Dancers, Parents & Staff are what make this team strong! Throughout the year be sure to check the Spotlight Bulletin Board in the lobby and your e-mail. Join the Performance Team group on face book and check out our new website at MissDiannas.com to keep up to date on everything happening this season.

After camp we posted which group classes they have placed into. Competition dancers are welcome to take any of the classes labeled "open". Please use the first few weeks of September to try out classes. Make sure their schedule is something they can keep up throughout the entire dance season.

Requirements & Important Team Info

All competition dancers are **required** to attend a minimum of one technique class per week, or a total of 4 classes per month. Dancers are highly encouraged to attend both Monday & Thursday technique classes. If your dancer does not meet the technique requirement, they will not be allowed to continue in performance classes. Keeping in mind your family's hectic schedule, we offer technique two days every week. Dancers are also **required** to take one ballet class (performance or non-performance) separate from their technique classes. As a school, we recommend all dancers take tap, ballet, jazz, and acrobats to become a well rounded and trained performer.

Dress Code: Leotards are required for class, unless your instructor gives different instruction. No Jackets, loose tops or loose pants after warm-up. **All dancers need a black tank leotard, black shorts, ballet shoes, & tan tights that fit to be used for workshops and performance opportunities.** When we do showcases, like Gladfest, the Spotlight Team tank top, black leo & black capri pants will be utilized.

**Dancers are only allowed to take private lessons (solo, duo, trio, quartet) if they are enrolled in and attend technique.

Thursdays will continue to be a performance night in our studio. Our production numbers, parent's meetings, and special rehearsal time will be held on Thursday evenings. Because of this, your dancer needs to keep Thursday open so they are prepared for the performance season. This will also be a night that will be used to improve communication between dancers, parents and teachers. Parents please remember that you cooperation and involvement are an integral part of a successful and fun season.

Performance Class Fees

Acrobat Class - \$50/month Technique (1.5-3 hours/week) - \$75/month

Performance Classes:

½ hour- \$40/month	1 hour- \$60/month	1.5 hours- \$80/month
2 hours - \$95/month	2.5 hours - \$110/month	3 hours - \$125/month

Unlimited Performance Classes, Acrobat Classes, & Technique (private classes not included)

****Only \$170 per month****

Private Lessons (30 mins per week): Solo - \$65/month Duo, Trio, or Quartet - \$50/month

Financial Suggestion: If you put an extra \$50 per competing dance in to your dance account, you should not owe anything when competition, costume, and convention fees are due ;)
